

EMYA 2022

CONFERENCE

MUSEUMS ADDRESSING LOCAL AND
GLOBAL ISSUES IN AND WITH
THEIR COMMUNITIES

ESTONIAN NATIONAL MUSEUM

MUUSEUMI TEE 2, TARTU

May 4 – 7, 2022

Some candidate museums have been unable to travel to participate in the EMYA conference in Tartu and will therefore do their presentations online, and some have chosen to not participate with live presentations.

As the Russian military invasion of Ukraine is ongoing, with no solution in sight, the three Russian candidates, which were nominated and are part of the candidates' brochure, will not be presenting in Tartu, as they will be included in the European Museum Forum's sanctions, coming into effect by May 1st, 2022, barring participation of candidate museums and professionals from Russia from the EMYA 2022 conference and award ceremony as well as from candidacy for EMYA 2023.

**The conference programme can be viewed online in real time, except for evening receptions and dinner, workshops and guided tours.*
